

# BACON UP<sup>®</sup>

BACON GREASE

# REAL BACON GREASE READY TO USE

Love cooking with bacon grease, but never have enough? Bacon Up<sup>®</sup> Bacon Grease is the convenient way to get that next-level flavor – without the fuss of frying bacon.

All the flavor. None of the fuss. If you grew up with a can or jar of bacon grease on the counter or near the stove, then you know what we're talking about. This is the same grease! Start with a scoop to add a layer of richer, more complex flavor any time you fry, cook, or bake. Bacon Up<sup>®</sup> is especially great for cast iron!
